

Scouts Active During Summer

Receiving higher ratings, adding new members, and securing more equipment were the achievements of the Girl and Boy Scouts of Bailey this summer.

The boys have had a Court of Honor, in which new ratings were given. They also went camping at White Lake. Regular meetings were held through out the summer.

In addition to weekly meetings, the girls had a picnic and worked on new ratings.

Mr. Leamon Tapp is now leader for the boys; Miss Jewel Langley, for the girls.

Post Bows To Bugle

HEAR YE! HEAR YE! Calls like this echoed up and down the halls and on the ground, but this time it wasn't Noah Webster coming on the air. It was only the tenth graders darting here and there yelling:

"Subscribe now for any magazine published by the Curtis Publishing Company".

When one walked up to Mr. Jones (that's what we'll call him) and asked him to subscribe he remarked, "I don't care for the Saturday Evening Post, but I would like to subscribe for the Bailey Bugle."

Nonplused for the second, the student

tossed back his head and replied proudly, "Why that'll be fine. Who thought the Bailey Bugle would ever run in competition with the Saturday Evening Post!"

"HELLO"
