GRADE PLANS FOR CHRISTMAS

The Second Grade is planning a Christmas Health Unit. The interest was aroused by the study of the Christmas Story as God's great Gift.

This study awakens the fact of other precious gifts as our body and our five senses. Then the pupils were interested in the parts of the body and how to care for them; also, things our body must have. Thus, an interesting unit on Health is created.

DEAR SANTA CLAUS,

We are expecting you to visit us this Christmas. We have been good boys and girls all the year. Also remember the little boys and girls of other lands. Please don't disappoint us, Santa.

Second Grade

DONNY: I don't believe I will go to school today, Daddy. I don't feel very well.

DADDY: Where don't you feel well?

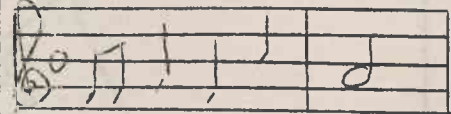

DONNY: At school.

Progress Made in Music

The music in the primary grades has made pleasing progress. The children have learned seasonal and holiday songs. For many of them singing is a new and enjoyable experience. Great interest has been shown in all grades.

MISS THOMPSON: Why do the leaves turn red in fall?

JIMMY: They are blushing to think they have been green all summer.
