

### Scouts Striving To Achieve Ten Fields

Stressing the fields of recreation and health, the Girl Scouts are at present going on hikes, having outdoor picnics, and playing basketball every other Monday night.

A hike has been made to Camp Charles and a meal prepared while there.

#### COMMUNITY SERVICE

As a part of Community Service the Girl Scouts held a party at the Club House. This called for cleaning, cooking, and entertaining, a phase of this field of work.

Basketball for health and entertainment is practiced every other Monday night.

Passing off all fields, Jean Thornton, Nancy Finch, Jean Glover, and Jacqueline Collie have become Second Class Scouts.

## WANT ADS!

Dear Santa,

Just ONE record with "Boogie Woogie" on one side and "I'll Walk Alone" on the other.

"Dizzie"

A bag of dates (non-catale kind)

"Lonesome"

Cute little toboggin like you see floating from one to the other person's head in the halls.

"Copy Cat"

"Paper Dolly, I Can Call My Own"

"Woman Hater"

One more peaceful day with no embroidery and knitting interruptions.

"Hopeful."

An I. D. bracelet

"Sal"

Little medals to pin on all those lucky individuals with no little checks beside their names.

(NEXT COL.)

"Dopey"

### Students Collect Facts For History Scrapbook

To arouse more interest in North Carolina history, Mrs. Lewis Watson's eighth grade students have been collecting clippings and articles from news papers and magazines to compile in a scrapbook near the close of school.

Mrs. Watson is grading and taking care of the articles until the scrapbook is ready for designing.

Each student is looking forward to the making of this book reports the teacher.

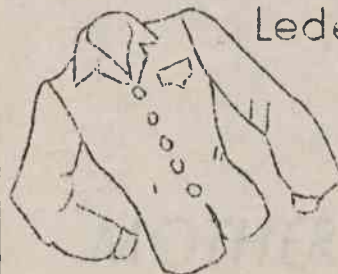

Well, here's hoping you won't forget us and our dreams on Christmas Eve.

Love,  
Bailey High
