### ON REVIEW

## Girls Crack Record For Two Victories

Because of the improved playing by all the team, the Bailey girls played first two winning games on straight at Bailey by a seven point margin each time.

The first winning score was Middlesex 15, Bailey 22.

The second victory was over Spring Hope, with the score 17 to 10.

Reasons for the two victories were "better guarding and better breaking, shooting, and working together by forwards," is the opinion of Mr. M.W. Weaver, coach.

Bailey teams whirled to a double-header triumph over Nashville club, because of the better guarding, shooting and passing, February 1, in the Bailey gym.

The winning score for the girls was 16 to 15, while the boys won their first game with a 16 to 11 lead.
