Juniors Exceed Goal; B. L. Finch To Receive Watch As Reward

Bobby Lee Finch wins a Bulova watch in the magazine contest sponsored by the junior class, in which contest the class excelled the amount set as a goal.

Selling \$90 worth of subscriptions, Bobby Lee is awarded by the Curtis Publishing Company a Bulova wrist watch for securing the largest sum of money from his sales.

Setting as their goal the five-hundred dollars required by the company in order to receive a watch, the juniors sold \$515 worth of subscriptions. Of this amount the class receives a commission of \$195 that will go toward financing the junior-senior banquet.

Teen Age Club, sponsored by P.T.A., is soon to be organized by Miss Hildred Lewis and Mr. Lewis Watson, co-directors of the P.T.A. recreational program.

After electing officers, the teen agers are to meet once a week in the school auditorium or gymnasium for entertainment.

"A Teen Age Club is needed to give the young people some type of entertainment under the right supervision," is Miss Lewis' opinion.

Miss Lewis would like to have suggestions from any student who has ideas regarding the club's activities.
