

Typing I Class Increases;  
Typing II Types, Cuts  
Stencils for Bugle

Enrollment in typing classes is ten more students than last year.

There were thirty-nine students enrolled last year and forty-nine this. Seventeen of these are seniors taking typing II.

A reconditioned typewriter was bought and two were rented because of the larger classes.

As a result of the enrollment there are three classes of typing I and one class of typing II. Seniors were given preference in typing II as juniors can take it next year.

Doing extra typing for the BUGLE are Pansy Rae Bissette, Madge Brantley, Nancy Finch, Daisy Liles, and Janice Bunn. Pansy Rae also does stencil typing for the paper.

This work, considered a part of training in typing II, is graded in connection with their class work.

Safety Program To Be Featured Next P.T.A. Meeting

Mrs. T. R. Easterling, State Safety Chairman, will speak at the next P.T.A. meeting on Traffic Safety.

Among the projects for the year are a tobacco contest, a home talent program, a membership drive, recreational activities at school, beautification of the grounds, and the entertainment of the children at the free school clinic.

RECREATIONAL COMMITTEE

Mr. Lewis Watson and Miss Hildred Lewis will head the recreational committee.

The tobacco contest ended with 501 pounds of tobacco and \$66.65 collected.

The winning rooms were Miss Rachel Bissette's seventh grade and Mrs. Laurene Lassiter's tenth grade.

At the September meeting the association voted to

buy a record player to go with the projector the school bought last year.

The meetings will be held once a month, and the rooms with the highest per cent of parents present beyond twenty-five per cent receive one dollar each.

The officers for the year are Mrs. B. M. Farmer, president; R. M. Meacomes, Vice-president; Miss Edith Farmer, secretary; and Mrs. Don Brantley, treasurer.

Mrs. Silas Worthington and Miss Linda Vann will be in charge of the next program.
