## PRE-SEASON GAME SHOWS POSSIBILITY SAYS COACH

"Although we were defeated in the practice game with Middlesex, both teams played unusually well for the first game of the year," asserts coach Weaver.

Middlesex teams overcame both Bailey teams in the preseason game played last week at Middlesex with the score - girls, 21-25; boys, 16-19.

Orders for girls' and boys' suits have been placed, but, as yet, the suits have not arrived.

## GRADES LIMIT NUMBER OF STUDY HALL PRACTICES

Students wishing to practice basketball on their study halls this year will have to be careful of their grades on their report cards, as the grades will determine the practice periods permitted.

Principal Weaver has outlined a plan for practicing: if a student makes A's on his report, he may practice three times a week; if he makes B's, two times; and if he averages C's and D's, one study hall per week.

"If this brings a drop in grades, arrangements will be changed," declared Mr. Weaver.
