Glory To God In The Highest, And On Earth Peace Goodwill Toward Men

The angels are still heralding this message as typifying the spirit of Christ as joyfully as they did on the night of His birth.

As students we may not be able to participate in Peace Conferences but we can practice goodwill among ourselves.

Purchased gifts this Christmas are higher than ever, yet less valuable. Spreading goodwill cost little in terms of money but does convey the real meaning of Christmas. That is one gift we all may give.

Fancy's Flights..... Gladys Boykin's new hair-do really is becoming. It's cut with the ends curled slightly, and soft looking bangs on her forehead.....Speaking of hats take a gander at the snazzy grey one sported by Rex Perry.....We have yet to meet a group of girls happier than those who beat Coopers.

Ads..... Sewing done, prices reasonable: Dorothy Rooker (If you don't care if the garments fall apart, she says)

Expert Haircutting: Jean Brantley (Be careful, though that she doesn't

scalp you)

More of the same..... It seems most of this month's column is devoted to hairdo's. Six of BHS's boys have the "stinging worm" cut. They are Paul Dew, Millard Morgan, Dee Stone, Bobby Perry, Isaac Medlin, and, some people say, Royce Bunn.

And it says here.....

Have Ya' heard the new title bestowed on Bobby Ray Meacombe? He's to be "Chief Fireman." "The Chief" says he'll have the ~~gym~~ heated at games if he has to start firing at noon.

Miss Johnson (teaching U.S. History): Please turn to your appendix.
Billy Murray (whispering to girl next to him): I can't turn to my appendix, because they have been taken out.
