

### RAE BISSETTE ARTYPES

Because of Rae Bissette's accuracy in artyping, portraying pictures by letters and symbols, her sketches of a drum major-ette, dog, airplane, and a portrait of Fred MacMurray are displayed on the blackboard in the commercial room.

### Typists See Movie

Typing I and II students have been shown a movie dealing with typing.

Albert Tangora, professional typist, demonstrated how to gain speed, become more accurate, and form the habit of correct positions at the typewriter.

### Typing II Class Design Their Christmas Cards

Typing II students designed their Christmas cards by ornamental typing, letters and symbols forming a picture.

They sketched their pictures by symbols and letters. Then by retyping sections of the pictures they brought out the contrast in the dark and light colors.

The designs, colored in

red, were run off on white paper.

Inside the cards were typed greetings and small drawings. These also were run in red.

This work served as a review on manipulation, cutting stencils, working on mimeoscope, and learning to do artyping.

A card designed by Midge Brantley but reduced in size is on this page.

### STUDENTS TO MAKE SCRAPBOOKS IN GEOGRAPHY

Assimilating the material received from the Chambers of Commerce of the leading

Southern cities into a scrapbook is a project of the geography class.

### ATTENDANCE

Attendance at meetings is good, but two or three members being absent cut down the percentage. Are you one of these members?

### RAT CAMPAIGN

The Lions Club, cooperating with the State Health Department, distributes rat bait in Bailey. We are expecting results. However, to do a thorough job the procedure will need to be repeated about March. How about the farms in the community? Are there any rats around the buildings? Every rat eats or destroys at least \$2 worth of feed or materials each year. Expensive? Yes. Why not do something about it?

### SCOUT CABIN

Do you believe in the boys and girls in and around Bailey? How about a Scout Cabin for them? The committee will be to see you. Your cooperation means more progress.
