Students Making Plans To Attend Conference

Plans are being made to have the staff's dream of attending the Columbia Scholastic Press Association Convention in New York in March become a reality.

The cost of the trip, including hotel bills, meals, railroad fare, convention dues, and sight-seeing, is estimated at \$60.

PART EXPENSES PAID

By using the \$58 netted from the Coronation Ceremony given in October plus \$100 of the \$200 in the BUGLE treasury, each member will have his bill reduced \$15 to \$20.

The remaining amount is to be furnished by each individual.

The three-day convention, March 20-21-22, will be a

Cleanup day for the school, January 15, is being sponsored by the BUGLE staff. This is the first day of the second semester.

Objectives for the day-- student activities--are to clean off top and inside of lockers, move seats out of hall, give each room a general spring cleaning, arrange books and magazines in neat order in library and hall racks, clear the stage of unnecessary junk, scour and fumigate bath rooms, and clean yards.

ROOM CLEANING

Spring cleaning the rooms will entail cleaning walls and furniture, placing bright and cheerful pictures on the walls, securing potted plants, or for the rooms on the north side, artificial flowers--everything that will add to beauty, cleanliness, and

O. BEARD KEEPS COLUMN

Octavia Beard, former journalism student, continues to write Susie Babbles for the BUGLE.

In order to get in the required subjects for graduation, Octavia is unable to take journalism. She desires, however, to continue the column originated by her last year.

"I take special interest in what students do and say", declares Octavia.

This is another of her main reasons for liking to write Susie Babbles.

The staff appreciates the co-operation on the part of Octavia.

Jr. Red Cross Equips First Aid Room

Student Jr. Red Cross Council is converting one of the off-stage dressing rooms into a first aid room.

Money for purchasing a new chair, curtains, magazine rack, dressing table coverings, mirror, and bed covering will come from the general school fund. If money is available, the members of the council will paint the room.

The council with the help of Miss Rachel Bisette, teacher sponsor, cleaned the room. Each month,

hereafter, it will be kept in order by a designated member of the council.

"The need is very great for a first aid room during the winter months when so many children are sick with colds," is the opinion expressed by Miss Bisette.

In the near future the council hopes to improve the girls' toilet by hanging curtains, adding a dressing table, and assuming the responsibility of keeping both boys' and girls' toilets clean.
