### CONDUCT

Conduct grades for each room averaged not less than 90 nor more than 92.

Lenzie Morgan and Keith Glover made the highest average on exams and term respectively. Thelma Creech and Beth Bissette tied for second place in exam averages, while Lenzie Morgan, Jackie Edwards, and Lois R. Pace were second for the term.

For the term there were two all-the-way failures in high school. One complete failure was made on exams.

Orders have been placed for senior calling cards.

Having taken measurements for caps and gowns, the seniors are making reservations now to avoid last-minute rush.

The play, "Voluntary Bride," will be presented by the senior class in March.

Since the senior pictures are to appear in the last issue of the BUGLE, Trueblood Studio, of Wilson, has made the pictures.
