

ONWARD ————— UPWARD

Students of BHS are to be commended for the sportsmanship shown at basketball games, the co-operativeness displayed during cleanup day, and the grading averages for the term.

During the last semester let's resolve to read more so that when we converse, we will be an interesting conversationalist; when we are asked to give reports on class, we "do more than talk---say something."; and when we listen to one of these reports we "do more than listen--understand."

If we do this, grades for the last semester will continue to climb.

He that knows and knows that he knows, is wise; follow him.

He that knows and knows not that he knows, is asleep; awake him.

He that knows not and knows that he knows not, is in need; help him.

He that knows not and knows not that he knows not, is a fool; shun him.

Hear Ye.....
We of Bailey who went to Red Oak for the Red Oak---Bailey basketball game wish to commend our rivals for their wonderful basketball team. We do think, however, that the throwing of dirt and other objects upon Bailey students indicates very poor sportsmanship on their part.

Ramblings.....
Rumor has it that Ben Etheridge is the smoothest dancer in these parts..... Blanche Phillips and Janice Brantley both have passions for cutting their hair.....One girl was heard to remark that she was going to tear Van Johnson's picture out of her locker--now that he is married.

Insult.....

Comment of an eleventh boy after having tasted the cookery of tenth home ec. girls: "Whew! How I pity the future generation of husbands." We didn't think it was that bad, Frank.

Mystery of the month.....
All of us have heard the record "Open the Door, Richard." All I want to know is who was the guy who wanted to get in?

Pleasant surprise.....
I'm sure very few second period students expect to be serenaded by Frank Sinatra and Dinah Shore. That was the case about a week or so ago when a Red Cross truck drove up in front of the school and let forth the hot "Good Health Song."

POLKA DOT AND POPS-

POPS.....Why Are Your Grades So Much Lower Than Usual?
POLKA DOT.....I-I Just Guess Everything Is Reduced After Christmas.

He thought a thought, but the thought that he thought was not the thought he thought he thought.

That that is, is; that that is not, is not.

Y Y U R, Y Y U B; I C U R
Y Y 4 Me. (Too wise you are, too wise you be; I see you are too wise for me.)
