

Receipts Of Play To Reduce Senior Expenses

"Money received from the senior play, Volunteer Bride, will be used to help defray commencement expenses and pay for a gift for the school," says Miss Wilma Johnson, senior class sponsor.

The amount received from the play was \$103.25.

CAST

Bobby Vick, as Sam Ashton and Mary Grey Wiggs, as Alice, were the leading characters in the three-act comedy presented Friday night in the high school auditorium.

Supporting Bobby and Mary Grey were Kitty Lou Morgan, Pete Stone, Al Williams, Betty Doris Sanders, Janice Bunn, James Ray Stone, Keith Glover, Irvin Finch, Jr., Nancy Finch, and Janice Medlin.

Seniors Prepare for Last Lap Of High School

To avoid last minute rush, the seniors are preparing for commencement ahead of time by getting their invitations, securing a speaker, planning the gift to leave to the school, and attending to other graduation requirements.

The number of invitations ordered by the seniors totaled 810. Student orders ranged from 15 to 50.

These invitations were received March 31.

SENIORS MAKE STAGE SCENERY

The stage scenery used for the first time in the senior play was made by the senior class but financed by the school.

The framework was made largely by Junior Finch. Other class members covered this frame, with unbleached muslin and then gave the flats two coats of paint. As it is hung from the ceiling, it can be moved and re-arranged as desired.

The scenery is painted cream and has doors and windows.

TRIP

As Miss Wilma Johnson, senior homeroom teacher, is considering leaving for summer school immediately after school closes, the seniors have given up the idea of going to Washington. Miss Johnson states that not very many were in favor of going.

GIFT

Though no definite plans have been made, the seniors have been thinking of a gift for the school. Suggestions so far include purchasing stage furniture and starting a school fund.

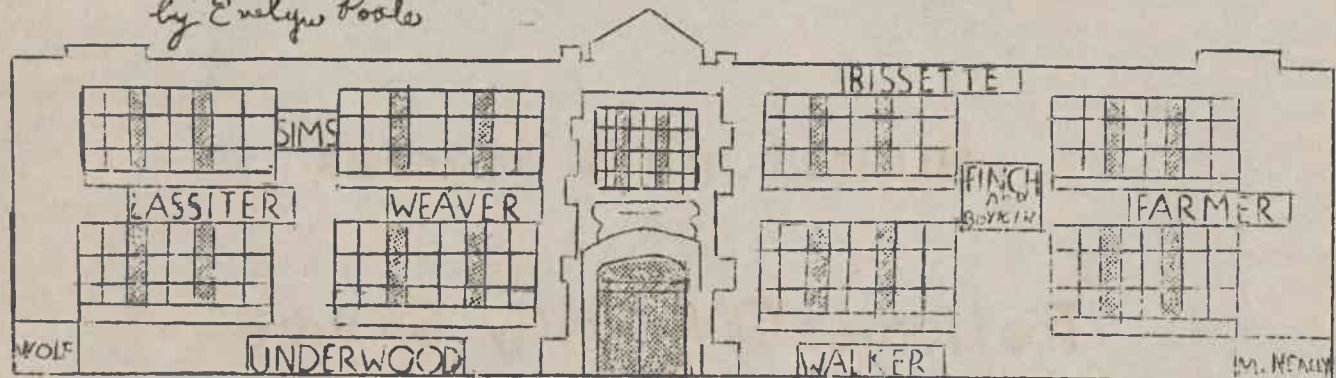

PICTURES

Individual pictures of class members, appearing in the May issue of the Bailey Bugle, have been sent to S. C. Toof and Company to be printed.

BUILDING STONES OF BHS

These people through their efforts have been among the building stones of Bailey school, adding prestige, honor, and improvement to the school. Other "stones" will be added from issue to issue.

by Evelyn Poole

Marie Morgan Sims, member of Phi Beta Kappa Fraternity.

M. W. Weaver, promoter of citizenship principles.

Mrs. Jim Underwood, longest term of service in Bailey school.

Sarah Morgan Farmer, student editor of the G.C. annual.

Miss Rachel Bissette, established first aid room.
