Typing II Class Make
Legal Documents

WITS AND WAGS

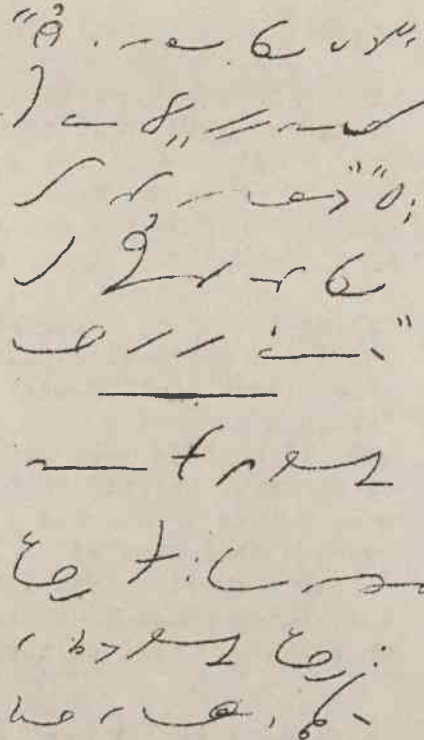

TOP TYPISTS FOR 1946-47

As an understanding of the more common legal forms used in business, typing II students have completed a unit on the deed, mortgage, abstract of title, specification, quitclaim deed, proxy, and power of attorney.

To give a legal appearance to the forms prepared, 8 1/2 x 13 paper was stapled to manuscript covers of blue.

When completing the unit, the students properly folded, bound, and endorsed the documents.

These may be found displayed in the typing room.
