

Scout Plans Include Sports; Competitive Activities

One of the chief enterprises of the Bailey Scouts for the coming months is the organizing of a basketball team. Another is the striving to reach the goal of the Fall Roundup, a contest among the Scout troops of the Eastern Carolina Council to gain new members, advance in ranks, and camp more frequently.

FUTURE PLANS

The Boy Scouts, their Scoutmaster, Horace Meacomes, and the assistant Scoutmaster, Marshall

Brock, Jr. will, in the near future, paint the inside of the building, install light fixtures, and replace window panes and sashes. Removing stumps, cleaning the lot, and filling in unlevel land are some changes to be made on the yard.

CAMPOREE

Last year's attraction was mainly the Eastern Carolina Camporee held on

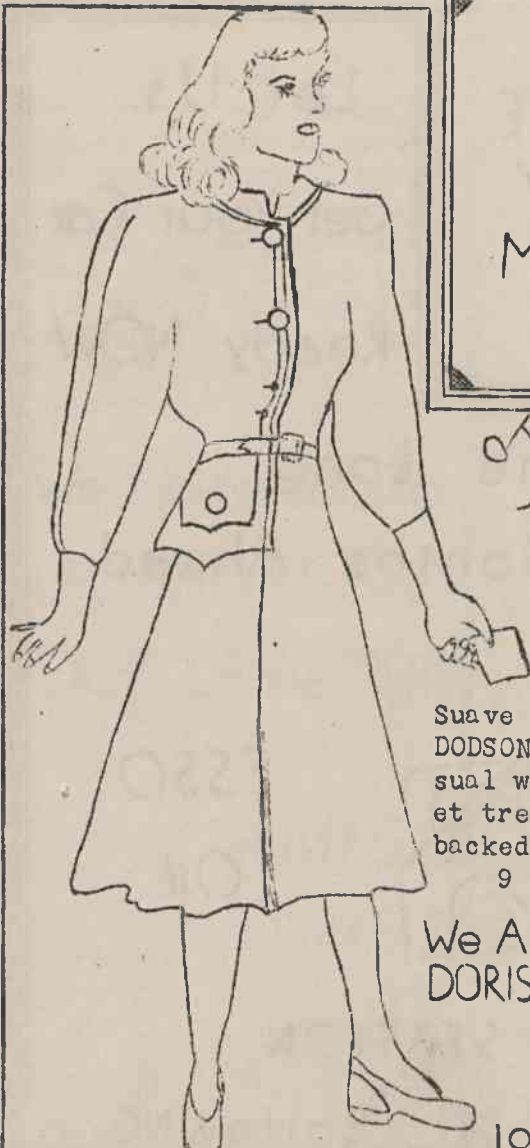

the grounds at Bailey High School in July. For the highest points achieved during their three days of camping, the Scouts of Bailey won a blue ribbon.
