HERE AND NOW

Students of the English department have been given the opportunity to subscribe to the Reader's Digest for nine months at the reduced rate of ten cents per month. The magazine will be used by the students as parallel reading in English.

From the pictures taken at school \$164.90 was collected. The school will receive 25% of the total.

In the article entitled "Class News Hits" last month the junior grade-mothers were omitted and sophomore grade mothers were incorrectly named. Mesdames Travis Vick, Bud Sanders, and Preston Finch are grademothers for the junior class; and Mesdames M. A. Finch and B. J. Pace, for the sophomores.

The magician show netted \$91.23, of which the school received \$30.41.

A Teenage party, sponsored by the PTA, will be held in the gym on October 31 at 7:30 p.m. Any Teen-ager may come in costume.

Approximately \$30 was donated by the students of the school during the American Junior Red Cross Drive. The seventh grade let the school with \$4.18.

The Correct Way

1. How should we greet a friend on the opposite side of the street?

Ans. Do not shout across the street. If you wish to speak to your friend, cross the street and talk quietly. Loud talking is very unmannerly in public places.

2. If a girl and boy happen to meet while having a drink at the soda fountain, who should pay for the drink?

Ans. The boy should pay if he knows the girl well or is a special friend; otherwise the girl should pay for her own drink.

Fifth Grade Serves As Demonstration At PTA

To inform the parents as to what audio-visual aid is and how it can benefit Bailey school, the PTA program committee presented a demonstration class in audio-visual aids at the last PTA meeting. Mrs. Silas Worthington's fifth grade served as the demonstration class.

Following the recitation, M. W. Weaver, principal, and J. H. Wells, agriculture instructor, explained various types of machines and films used in audio-visual work.

During the business meeting Mrs. A. H. Farmer, English teacher, and Mrs. J. P. Underwood, sixth grade instructor, were appointed to inquire about the money received from a community fair held several years ago.

The constitution regulating the fair states that the proceeds are to go to some project serving both Bailey and Mount Pleasant communities. The PTA council recommended that the

Eight Students Pass Driver's Test

To procure bus drivers for the forthcoming year, the annual bus drivers' test was given to nineteen Bailey students this month.

The list of those passing both the written and road test includes Marie Williams, senior; Douglas Morris, Alice Ferrell, Tommy Sanders, and Dee Stone, juniors; Jay Brown, Wallace Brown, and Charles Brown, sophomores.

School Installs Stoker

Installation of an automatic stoker and the addition of two sections to the boiler are the improvements made in the school's heating system.

The automatic stoker relieves the janitor of his past years' duty of firing the boiler during the day and permits him to do other necessary jobs.

money, not having been used, be divided between the PTA's of the two schools.
