

Mascots To Steer Seniors

Judy Smith, niece of senior teacher sponsor, and Woody Perry, brother of Bobby Perry, senior, will, as mascots for the senior class, be the good luck stars guiding the seniors through their last year of high school.

The mascots were unanimously elected at a class meeting last week.

During the meeting the seniors chose the rose as class flower, red and white as class colors, and "Knowledge comes but wisdom lingers" as their motto.

Seniors Plan For College Next Year

Of the 35 members of the senior class, 18 have expressed intentions of going to college.

Those who have definitely decided on colleges or have made applications are Billy Horner, A. C.; Millard Morgan, Evelyn Poole, Frank Lewis, Duke; Jacqueline Collie, U.N.C., and Jackie Lois Edwards, Patsy Lamm, Greensboro College.

Undecided as to which college they want to attend are Lois Ray Pace, Bobby Perry, Elton Williams, Brooks Vick, Harry Lee Nixon, Beth Bissette, and Gilda Gray Perry.
