Absentees Exceed 1000 During November

Majority of the students composing the 1000 absentees during November could offer no excuse whatsoever for being absent. The remainder of the absentees stayed out because of sickness or the need for them to work at home.

During November there were 746 absentees in the primary and grammar grades and 298 in high school.

The same students cause these absences every month, some remaining at home fifteen out of twenty days.

Gr. Mothers Honor Seniors

Seniors were entertained last night at a Christmas party in the Bailey Clubhouse. Sponsors of the party were Mesdames Paul Lamm, K. F. Lewis, I. T. Poole, and Jack Collic, class grademothers.
