LUNCHROOM MIXTURES

As a specialty, a chicken dinner was served on Friday that school was dismissed for the holidays.

The dining room was decorated with white and green candles, holly, and pine. Romaine Thigpen and Evelyn Batts, seventh grade, drew two Christmas scenes for the blackboard.

Mrs. Sam Bogen and several alumni dined in the cafeteria on this special day.

Mrs. K.F. Lewis, supervisor, stated that many of the students expressed thanks for the "good" Christmas dinner.

Electricity was turned on for the new electric stove December 19. This enabled the workers to use it to prepare the Christmas dinner.
