Safety Patrol Film Show n

"Safety Patrol," a film of timely interest, was shown on January 14 to the general business students. Seven safety rules were illustrated in the film. They are:

1. Never cross in the middle of a block.
2. Never play in the street.
3. Never get out of a car on the left-hand side.
4. Stop for red lights.
5. Never get caught between lights.
6. Walk on left-hand side of highway.
7. Never cross against a light.
