

Senior

WILLIAM ELBERT GLOVER

He is tall, blond, blue-eyed, neat, and handsome. Does that sound like the answer to your dream girls? William Glover, alias "Boz" claims that work at his home, Green Pond, takes most of his after-school time, and that he doesn't "hang-out" anywhere. He'd like to own a black Packard, visit Florida, and eat coconut pie.

VIVIAN GRIFFIN

Long-lashed, sparkling blue eyes are perhaps the most outstanding feature of this senior's appearance. Born here in Nash County, October 7, 1929, blond Vivian thinks that of all her subjects at BHS she likes English best. "Some day I'd like to visit New York," says Vivian.

BILLY HOCKETT HORNER

Tall, dark-haired, blue-eyed, Billy Horner, one of Bailey's stars in his favorite sport, basketball, was born May 1, 1929. "When I grow up, I want to be a patrolman," comments Billy, "because then I can drive fast and not get caught."

MARLYN PEARL LANCASTER

The 96 pound blond, Marlyn Lancaster, captured last year's spotlight as Miss Bugle. Marlyn deems honesty the most admirable trait one can possess. She is seen most often in the

journalism room working on the BUGLE or with Bernease Eatmon, senior, talking over their plans to enroll next year in Norfolk General Hospital.

BOBBY LEE FINCH

Lucky--that's what we call him! Why? Did you know that "Goofy" won a \$90 tobacco sprayer only a short while ago? Blue-eyed, brown-haired Bobby Lee has an almost wistful look in his eyes when he says "I'm proud to be graduating, but I hate leaving my classmates." That he is a hard worker is agreed upon by all those who have seen the effort he has spent on delivering papers every morning and on journalism.

FRANK EDWARD LEWIS

As class treasurer, Frank Lewis holds the strings to the seniors purse. This tall, dark-haired senior was born February 23, 1930, and has attended no other school than Bailey. "Nappy" is most often seen with Bobby Lee Finch at Stone's Service Station. Frank is fulfilling his dream of becoming a doctor by enrolling in Duke University next fall.

MILLARD FRANKLIN MORGAN, Jr.

The seniors' chief executive, Millard Morgan, was born near Bailey, in 1929.

Portraits

He is most frequently seen with Frank Lewis and Bobby Perry. For two consecutive years, Millard has governed the senior class as president. Although he has placed his application at Duke University, Millard is undecided as to his future vocation.

ROBERT CURTIS GLOVER

Just in case you can't decide who owns that distinguished sounding name, it might help to explain that around school he's better known as "Bobby". Born May 10, 1930, this blue-eyed, blond-haired senior has been outstanding in FFA, having held offices ranging from secretary to president. He seems to be quite a cheerful person, as he is forever singing.

BOBBY DEW PERRY

To have a white-collar job and a home are the ambitions of one of the top athletes of BHS. Most likely found with Hollis Haskins, Bobby Perry, born in Nash County on January 13, 1930, names as his favorite--fried chicken, a Pontiac, and the color blue. For this brown-eyed chap, one word explains graduation--"Wonderful".

BROOKS VICK

"I hate to leave BHS," says blond, blue-eyed Brooks Vick, who was born in Nash County on October 18, 1930. See (PORTRAITURE) next pg.
