HIGH SCHOOL RECEIVES CHORAL TRAINING

Mrs. Helen Murray, in connection with her Public School Music, has organized a Glee Club for the high school students.

Some forty students are members of the club. Students go for practice at their study halls on Wednesday. On Fridays one period is devoted to practice. Periods rotate from week to week.

The club sponsored the Community Christmas Sing held on Main Street December 22.

The Spring series of chapel programs was opened by the club. Numbers used included "Look For The Silver Lining," "Glow Worm," and "Bells of St. Mary's."

The final public performance was April 13. Numbers used were "It's A Grand Night For Singing," "The Merry Widow Waltz" with Jean B. Glover as soloist, and "Vilia" from the Merry Widow by the high school girls.

The high school boys sang "Ole Man River"

with Scott Lewis as soloist, "Joshua Fit The Battle of Jericho," and "You Tell Me Your Dream."

The senior girls sang "Jealousy" and "Minka." "Londonderry Air" was used as a solo by

Bobby Barnes. "Whispering Hope" was given as a duet by Barbara Farmer and Bobby Barnes. The concluding numbers were "The Palms" and "The Holy City."

"Evening hours are reading hours."
