SENIORS, JUNIORS SPLIT CLASS TOURNAMENT

The annual class tournament held in the high school gymnasium brought victories to both juniors and seniors. The first round of the tournament was between the freshmen and seniors. Following this was the sophomore and juniors scrap in which the juniors had to fight hard to prevent a defeat by the sophomores.

Juniors and seniors fought it out in the final game of the tournament. The senior girls handed the juniors a defeat by a large score. In the boys' game the juniors defeated the seniors in the closing moments of the game.

This annual event is a great help in selecting the teams for the year declares the coach.
