Mrs. Flora Bynum's first grade has as its grademothers, Mrs. M. B. Glover and Mrs. Fred Smith.

This grade has learned several Mother Goose Rhymes, and a prayer.

For having sold three or more subscriptions to the Bugle, Carrol Ferrell and Dick Finch were served ice cream by the Bugle Staff.

'Boy and the Rabbit' Visit Schoolroom

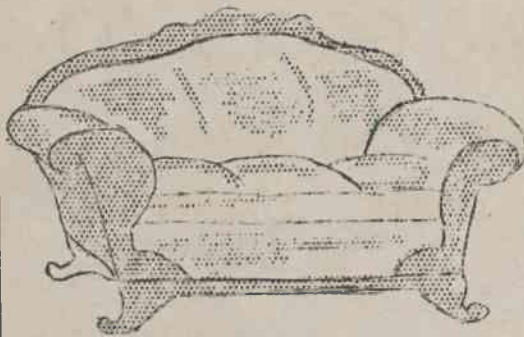

Thump! Thump! Thump! hopped a large white rabbit across the floor of Mrs. Rudolph Glover's room. Thumper, the rabbit brought to school by Dick Finch, visited the thirty-seven pupils of the second grade. The purpose of this visit was to help the children to better understand the picture, "The Boy and the Rabbit," which

they have been studying. The students say that Thumper couldn't visit them but one day, as she had to get back to her pen to care for her ten children.
