

Teen-agers Celebrate Halloween With Party

Halloween will be celebrated by the Teen-age Club Saturday night, in the community building, from seven to ten o'clock.

Each person attending is asked to wear an appropriate costume. Prizes will be given to the persons wearing the best Halloween outfits.

Only members of the club will be allowed to attend.

Any person is eligible to join if fourteen years old or older and has not been out of high school more than two years.

If anyone is not a member of the club but would like to be, he may obtain his membership card from Ann Johnson or James Paul Stott. The cards are twenty-five cents each.

Clayton Brock, president of the club, urges every member to be present. Clayton states that membership cards must be bought before attending the party.

Alumni of '49

Love of home or love of farms holds first place in the hearts of the alumni of '49, if numbers are indicative of one's feelings. They are Alice Ferrell, L. G. Deans; Andrew Lamm, Thurman Lamm, Billy Morgan, Douglas Morris, Thomas Perry, Rex Perry, and Eugene Vick.

Running a close second to home life was college. Going on to get a higher education are five members of this class--Octavia Beard, Ruth Farmer, Ben Etheridge, Willard Finch, and Tommy Perry.

Wedding bells rang for a boy as well as the girls. Dee Stone was the first boy to get "hitched" in that class. The girls who accomplished the great feat of securing a man were Janice and Jean Brantley, Dolly Bunn, Helen Jean Eunn, Elizabeth Glover, and Blanche Phillips.

Telephones appeal to Faye Glover, as she is working as an operator in Raleigh. Ora L. Lamm works at Dix Hill; Jean Williams in Wilson. B. J. Tapp

A certain high school teacher wants to know where Permanent, N. C. is. Upon seeing the licenses issued by the state for its workers, the teacher immediately wanted to know the whereabouts of this "town."

Mrs. Lewis Praises Improved Conduct

"Students are better behaved in the lunchroom this year than ever before by being quiet and by cleaning up the tables after eating," comments Mrs. K. F. Lewis, lunchroom supervisor.

That this improvement is the result of teachers' accompanying their students to the lunchroom and a more co-operative spirit of the high school students is the belief of Mrs. Lewis.

Shrubs To Be Pruned

The P. T. A. plans to improve the shrubbery at the front of the building during the month of November.
