This is the one night during the school year that the P. T. A. finance committee undertakes to raise money for P. T. A. funds.

Of the eighteen babies the one receiving the lar-

gest number of votes--not known when the paper went to press--received a silver cup.

Rooms have been working for votes for the past week. The votes were a penny each. The voting ceased promptly at seven fifteen, and the entertainment began at seven-thirty with the crowning of the winning baby.

In addition to money received from votes an admission fee of 20¢ and 35¢ was charged.

A party is to be given to the room sponsoring the winning baby.
