

## FFA Boys Continue Year's Activity

F. F. A. boys with initiation behind them have gone ahead with their other activities of softball, volley ball, and the annual trip to the State Fair.

The annual initiation of Green Hands into the F. F. A. organization was held this month in the agriculture building.

Twenty-one boys were brought into the chapter by the proper ceremonies. After the initiation the new members were treated to a weiner roast by their upper classmen.

### GAMES PLAYED

The Bailey Chapter lost to the Red Oak Chapter by a score of eleven to two in their second soft ball clash of the year.

King led the Red Oak team in batting with four hits for four trips to the bat. Bailey's two runs were made in the sixth inning.

The Bailey Chapter walked off with the winning title in both the soft and volley ball games played in Legget.

In softball Eldred Perry led the local chapter in batting with two for two; and Theron Sanders was second with two for three.

The volley ball game was won in a best-two-out-of-three contest.

The first two games were by Bailey with a score of twenty-one to seven and twenty-one to three respectively. Ed Pace, Eldred Perry, and Theron Sanders accounted for most of the points by the local team.

## Local Team Wins Federation Contest

The Bailey Chapter won over Coopers the last soft ball game of the year last week with a score of eight to three, thereby winning the Nash County federation contest.

Also played on the same day and won by the local team was a volley ball game. This best-two-out-of-three contest was taken by a score of twenty-one to twelve and twenty-one to six respectively.

The chapter chartered a bus for the all-day trip to the fair last Friday.

The boys stated that, although they enjoyed the farm and live stock exhibits, they enjoyed the midway attractions too.
