

Basketball Season Opens at Spring Hope Dec. 8

Opening game of the girls' squad with Spring Hope, on December 8, will probably be one of their toughest appointments of the season.

Commenting on this possibility, Coach Rebecca Tomlinson "hopes before that time that the team will be in first class shape to challenge the Spring Hope Sextets."

Among the pre-seasoned games scheduled are Rock Ridge and Black Creek, both in Wilson County. Coach Tomlinson plans to pick her varsity squad before the scheduled games begin.

Miss Tomlinson further states, "Several of the players are showing up very well during afternoon practices. Among these are Lois Jean Medlin, a member of last year's varsity string; Dixie Glover, a new-comer to the court; Mary Ann Edwards, all of whom are promising guards.

"Betty Nichols, a transfer from Black Creek, Julia Hooks, a six-footer, Jane Morgan, and Clara Lou Stott are great promises as point makers this season."

Ruffin Varnishes Floors

This year the school gymnasium received a new coat of varnish and wax, which was applied by Willie Ruffin and his assistants, Ralph Davis, and Ralph Griffin.

This new, glossy finish, financed by the athletic association, is expected to last indefinitely.

Miss Tomlinson to Award Athletic Trophy

To the most outstanding girl athlete, a trophy will be awarded by Miss Rebecca Tomlinson, girls' coach, at commencement.

Miss Tomlinson will select a committee to help her choose the outstanding athlete on the basis of leadership, sportsmanship, interest, and participation.

Engraved on the trophy will be the winner's name; best all-round athlete, 1951; Bailey High School.

Girls Recieve Suits

Twelve new warm-up suits, green trimmed in gold, have been purchased for the girls' team by the athletic association.

The girls' team is hoping to improve its dressing room.
