

Seventh Grade Presents Play At P. T. A.; Mrs. Morgan Speaks 'On Books Are Keys'

"A Bunch of Keys," a playlet designed to emphasize the theme of Book Week, was presented at P. T. A., November 9, by the seventh grade under the direction of Miss Rachel Bissette, teacher, followed by a talk, "Books are Keys," by Mrs. M. F. Morgan.

In her talk, Mrs. Morgan pointed out that from childhood to old age books are keys unlocking the doors to fun, recreation, general knowledge, information on any know-how subject, wisdom of the ages, and other "corridors" leading to understanding and appreciation of all phases of life.

The Glee Club, directed by Mrs. Mary Tichenor, gave two numbers during the evening.

PAVING DRIVE

During the business hour a committee composed of Leamon Tapp, Mike Griffin, Ed Cozart, Broadus Glover, and Julian Finch was appointed to supervise the paving of the circular drive in front of the school building. Mr. Finch reported that plans called for the paving after the new year. In the meantime the drive will be graded and graveled.

BICYCLE RACK

A motion made that the association have a bicycle rack built brought out the information that the Lions Club had planned to donate the materials and the agriculture boys to build the rack.

In the grammar grades, the seventh grade won the dollar for having the largest number of parents present. In high school, Mrs. Laurine Lassiter's tenth grade won for the third consecutive time.

Teachers Absent from School

Owing to sickness, Mrs. Florabelle Bynum, Mrs. Effie Hagwood, Mrs. Mary Tichenor, and Miss Doris Harper have each been absent from teaching duties this month.

According to M.W. Weaver, principal, the school has not been bothered before so early in the year because of sickness.

All together nine days have been missed by teachers because of sickness.
