

## Teachers, Students Querried on School Questions

Q. Where in school is the most improvement needed?  
 A. Mr. Weaver: Attitude.  
 A. Jan Perry: More co-operation and pride in our school work.

Q. What other activities would you like to see added?  
 A. Miss Oglesby: A dramatics club. That would aid in public speaking as well as give a knowledge of acting. An activity period supervised by the teachers.  
 A. Ed Pace: Football, student government, activity period, dramatics club.

Q. How valuable do you think films are for classroom use?  
 A. Mrs. Lassiter: Very effective when used in connection with the lesson of that day.  
 A. Reba Murray: Very beneficial because they enable one to remember things better.

Q. What are some of the goals we need to work towards?  
 A. Mrs. Farmer: More concentrated effort on school work, visual aids for the English department, a give-and-take attitude, and a sense of responsibility for being at school every day.  
 A. Lucy Blake Stone: Less gossip, unselfishness, and more regard for classmates.

Q. What is the students' greatest weakness in

this school?  
 A. Mr. Wells: Lack of interest in a formal education. Most of this is caused by a lack of interest on the part of the parents.  
 A. James Paul Stott: Always putting a good

time before their school work.

Student: That boy just doesn't know when to stop eating.  
Another student: Well, if I was paying the bill, I'd let him know the time to stop.
