

## Teen-age Club Planning New Year Dance

The Bailey Teen-age club, sponsored by the Virginia Dare Book Club, is having a semi-formal New Year's dance to which every paid member is invited.

Beginning at 8:30 o'clock and continuing until 12 O'clock, the dance will be at the club house. The girls are asked to wear evening dresses and the boys, dress suits. All the refreshments will be free.

### INCREASE OF MEMBERS

The teen-age club began at the first of the year with only six members. The number has gradually increased until there are thirty-five paid members.

The club meets every Saturday night at the clubhouse at 7 o'clock. Games and square and round dances furnish the principal entertainment. Those who are not able to dance are being taught. All the games and the records for the square dances are donated by the members of the club.

### REFRESHMENTS SOLD

Cold drinks and hot chocolate with popcorn or other added refreshments are sold for the benefit of the members.

Membership cards have been given to the members and must be presented at the door before a member enters. The club dues for the year is one dollar per member.

### CHAPERONES

Members of the Virginia Dare Book Club and parents serve as chaperones, one for each Saturday night.

The ground floor of the Mason's building, located

on Main Street, is to be used as the teen-age club when the building is completed.

Miss Farmer: Ernest, you'd better not take a dare and say something that you'd later regret.

Ernest: I know, but I'm being paid for this dare.
