

Girls Win Five Games Lose Two

Out of the seven games the eighth grade girls have played this season, they have won five and lost two.

The two defeats of the team were at the hands of the ninth grade; however, the third time the team played the ninth grade they won.

Members of the team are Billie Faye Perry, Shirley Williams, Janice Edwards, Arbadella Davis, Carolyn Finch, Betty Lou Stallings, forwards; Sue Bunn, Shelby Jean Williamson, Wanda High, Pattie Sue Thompson, Shelby Jean Eatmon, Betty Lou Brown, and Marlene Eatmon, guards. Several of these girls are also on the Junior Basketball team.

Quotes Miss Idalia Oglesby, teacher, "We are proud of our girls' basketball team and we think that the Bailey fans have a treat in store when these girls get in high school and begin to play on the varsity ball team."

Third Graders Report 11 Perfect Attendance

Attendance has been reported above par for the first semester in Miss Myrtle Sessoms's third grade.

Checking on the attendance January 29, Miss Sessoms found that eleven students had perfect attendance--Jerry Bissette, Carroll Ferrell, Lee Warren, Preston Williams, Ruth Bissette, Barbara Carroll, Peggy Eatmon, Brenda Glover, Linda Manning, Joan Stone, and Sandra Stott.

"Since the class had had such a struggle with spelling, it was considered quite an accomplishment when two-thirds of the class made one hundred on a spelling test," Miss Sessoms reported.

Teachers Select Books For Elem. Grades

New books have been selected by the elementary teachers for each room.

Each teacher is allotted \$16 to buy wanted books. Of this amount \$10 per teacher comes from the state. From the county and school \$70 is divided among the teachers equally.
