

Locals Compete In Seed Contest

Nash-Edgecombe Federation held its annual seed judging contest January 18 at Watson's Seed Farm near Rocky Mount.

Eleven chapters, having three participants each, entered the event. Gene Finch, Tommy Glover, and Ray Jones Jordan represented the local club with Theron Sanders as alternate.

Upon arriving, the contestants were shown a film and told the rules of the contest.

When the event was over and the papers graded, the winning teams were announced. Coopers walked off with first place, Spring Hope and West Edgecombe trailed with second and third respectively.

Mr. John Wells, agriculture teacher, states that although the locals were not among the top three, they made a very creditable showing.

The competing teams were served barbeque and fried chicken at Buck Overton's in Rocky Mount after the contest.

I WONDER WHY

I've seen a lot of pretty girls,
With rosy cheeks and golden curls;
But you are the sweetest yet by far,
I wonder why you aren't a movie star.
To you I offer my love and hand,
For you are the sweetest,
My Sweetheart "Jan".

Clara Lou Stott

Representative of Chowan Speaks to Seniors

In her visit to the seniors, Mrs. Lee, a representative of Chowan Junior College located in Murfreesboro, North Carolina, discussed with the seniors the educational facilities and benefits of a junior college.

Mrs. Lee advised the seniors on the necessity

of attending a junior college before entering a senior college. She further acquainted the class with Chowan as a whole.
