

## Class Builds House; Paints Friezes

Building and furnishing a doll house, painting friezes, and preparing for Easter have kept Mrs. Rudolph Glover's second grade occupied during the past month.

The students are wall-papering the insides of crate boxes to use as rooms for their doll house. They are also making the furniture and other items needed in the house. A study of houses is being done with the help of text books and the Weekly Reader.

Winter and summer friezes, illustrating a story in the basal text, have been painted by the class.

The class has also made a bunny frieze along the border of the blackboard named; "This Way to Bunnyville."

## Beginners Greet Easter

Mrs. Floribelle Bynum's first graders are getting ready for Easter. One of the two poems they have learned in connection with this season is

### EASTER EVERYWHERE

Rabbits soft and cuddly,  
Baby chickens, too,  
Easter eggs in baskets,  
White and pink and blue;  
Easter cards of greeting,  
Music in the air,  
Lilies nod, to tell us  
It's Easter everywhere.

The class is also studying gardens and birds.

The seniors have measured for their caps and gowns.

After a month's confinement with a broken leg, Paulette Wells, second grader, has been welcomed back to school by her classmates.

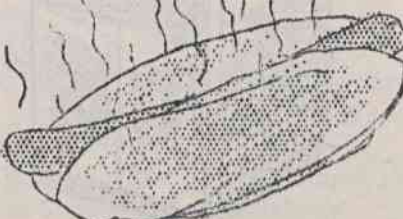

"Since it helps to keep a person's spirits up, we tried to send Paulette something every week while she was absent", states

Mrs. Effie Morgan Moore.

second grade teacher.

Some of the gifts Paulette received from the class were candies, gum, and letters.
