

Freshman Girls Stage Quiz Program

Supervised by Mrs. Frances Rouse, the freshman girls presented in chapel last week a quiz program with students from each room in school serving as contestants.

Betty Lou Glover was mistress of ceremonies, and Tanya Glover directed the contestants to their seats. Questions ranged from, "Who is principal of our school?" to "How should a formal invitation be answered?"

Prizes consisting of candy and crackers were given the participants who gave correct answers. If a contestant failed to answer a question, a comical consequence was assigned him.
