

## Odds And Ends

### JUNIORS????

Eunice Perry and I are present in the eleventh grade English class so much working on the Bugle that we are often mistaken as members of the class.

HABIT!!!

As a senior was watching a ball game the other day she suddenly exclaimed, "This is the end of the first act!!

LUCK!!!

On November 1 the Entertainment Tax Law was repealed. On November 2 the seniors gave their class play. Missed by a hair! VICE-PRESIDENTS!!!

The junior class must be putting a jinx on their vice-presidents! They seem unable to keep one. D.J.

## Halloween Queens Happy Over Winning Contest

### SENIOR QUEEN

Crowned as senior queen at the Halloween Carnival, COLEEN MURRAY was "happiest ever been", but admitted, "I had no idea of winning."

"I was nervous, excited, and thrilled when I found I was the winner, and I'd like to express my sincere gratitude to those who helped me to win," she says.

For her royal gift, Coleen was presented a double strand of pearls.

The five-feet one inch sixteen-year-old junior has brown hair and gray-green eyes. For the past year she has been taking music under Mrs. George Johnson. Coleen's winning was no surprise to anyone, for the junior class usually pulls ahead in every undertaking.

Outside activities Coleen likes most are basketball, parties, movies, and dances. Typing proves to be her favorite subject in school.

### JUNIOR QUEEN

"Surprised and excited" was the expression of Katherine McKeel as she was crowned junior queen at the Halloween Carnival.

The sixteen-year-old eighth grader likes basketball, parties, and movies. Her favorite subject is health.

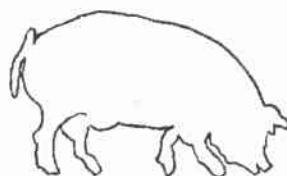

Katherine comments, "I was happy, excited, and very grateful to everyone."

Her royal gift was a gold bracelet.

### RUNNER-UPS

Mary Ann Miller, senior, was runner-up in high school and received a box of candy.

In the grammar grades, Martha Lane Farmer was the runner-up. She, too, received a box of candy.
