Chapter Publishes News Letter

Chapter members have just completed their news letter for the fall term.

The style of the news letter is similar to that of a magazine. It contains all the activities centered around the ag. building thus far with a few jokes to add light touches.

Something that may be helpful to anybody wishing to write to any of the alumni is a page with the addresses of past F. F. A. members.

Editing and publishing the paper were Gene Finch, Billy Bunn, Earl Manning, Harvey Denton, Ronald Bissette, Bruce Perry and Jennings Nixon.

Honor Guests

Tommy Glover and R. O. Pace were guests at the Father and Son banquet at Middlesex recently.
