

What If ----- Wayne Lamm

You did a good deed for someone once in a while? I did for the home ec. department and got a piece of delicious pecan pie. Somehow, though, I missed out on the chicken they served to the Lions Club.

We could get someone from the second period study hall to take the place of Julia Hooks on the BUGLE staff? Julia is leaving for Charles L. Coon after Christmas, you know.

All the rooms could have an attendance race like those juniors??? There are two sides. When a member of the class is absent, he is charged a dime. That seems a good idea to me,

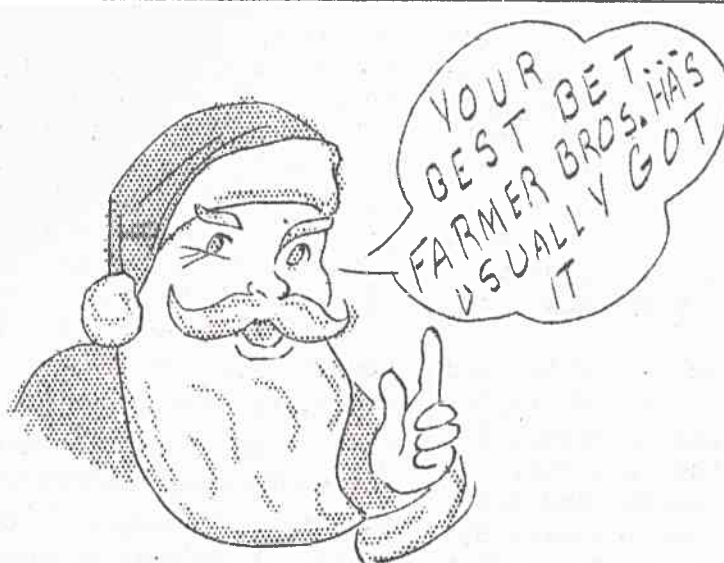

but I am sorry for one or two juniors!!!

Mr. Weaver would play "hookie" from school one day?

You heard Bruce Finch singing on French? (He's

still alive.)

You took three subjects under Mrs. Farmer? There are a few poor souls that do. May the Lord help them! I don't see how they get up all those lessons she piles on every night!!!
