

Elementary Grades Short Five Students

Even the addition of the twenty-one new students at the second semester failed by five to bring the elementary enrollment up to pre-Christmas level.

Re-entrance of Earl and Carol Johnson reduced the lost from 28 to 26.

Replacements in the second grade are Louise Bissette (Rock Ridge) and Eugene Thigpen (Lamms).

Virginia Perry and Benjamin Boone, second grade, recently transferred from Bullocks and Oak Level, where as Danny Eatmon and Betty Perry, third graders, hail from Mount Pleasant and Sims.

Newcomers in the fifth grade are Edith Williams (Margaret Hearne), James Eatmon (Mount Pleasant), and Wilbur Perry (Sims). Lessie Mae Perry, a fourth grader, also comes from Sims.

1952 additions for the sixth grade are Melba Jean Eatmon (Mount Pleasant), J. R. Bissette (Rock Ridge) and Curtis Thigpen (Lamms).

Doris Faye Bissette (Buckhorn), Collins Williams (Charles L. Coon), and Elmer Lee Barnes (Battleboro) join the seventh graders.

Laura Helen Lamm (Charles L. Coon) is the first newcomer for the eighth grade
