

What If - - - - - Wayne Lamm

You had a birthday only when leap year rolls around? (I was born February 29 and have celebrated only three birthdays in my life.) Leap Year has its good points though. Have you boys had any offers yet?

Annie Ruth was a Baby Ruth? (Wouldn't Royce like to baby sit!!!)

We could have a panel discussion during English everyday?

The boys' and girls' teams stayed on or near the top in the conference standings during the whole

season?

Some smart person would revise that biology book?

School took in at 12:00, we got out at 1:00, and had an hour out for lunch?
