## Know Your Team

----- Mary Ann Edwards

Several changes in the girls' team have been made in an effort to improve the quality of play. The major change, in order to strengthen the guards, finds Clara Lou Stott in that position.

"Lack of speed has been responsible for the dropping of a number of games by a small number of points each game," points out Coach Pittman.

Jimmy Harris, knocked out for the season because of poor health, has rejoined the team as assistant manager.

"After overcoming mid-season overconfidence, the boys' team appears to be improving rapidly," stated the coach.

The cheerleaders are continuing to do their part for the team. They have been up against some poor support from the high school and poor sportsmanship from other teams.

Fannie Lou Manning made a record for the girls' team in one of the recent games played in the Bailey gym. She was high scorer with 16 points consisting of one field goal and 14 foul shots. Fannie Lou made 14 out of 17 tries from the free throw line, a percentage of 82 1/3.

## Dressing Room: Repaired

With the facelifting job that the dressing rooms have undergone in the gymnasium, these rooms present more adequate facilities for the team.

Some of the additions are heating units, a water fountain, and new doors. All the broken windowpanes have been replaced.

Plans have been made for painting the walls and the building of shelves for the girls' dressing rooms.
