

Students Engage In Extra Class Work

Indian life, basketball games, weather charts, and King and Queen of Hearts contests have been the main projects undertaken by the elementary classes this past month.

Classes Prepare Play For Open House

Flip-Flop, the Doll (a playlet) and the Toy Band are the main features in the program to be presented by the third grade at P. T. A. in March.

"Mona Lisa", "I'm Forever Blowing Bubbles", "Shortening Bread", "All Through The Night", "Slow Poke", "Yankie Doodle", and "America" are the selections to be played by the band.

Sarah Privette and Gerald Tapp will do a waltz.

Betty Beard will end the program with "The Lord's Prayer."

To parallel their study of Indians, Mrs. Effie M. Hagwood's second grade is making a tent large enough to hold a person. The tent will be made out of tobacco sticks and a blanket. The class is also making drums and cradles to be placed in the tent.

Two double-header basketball games have been split between Mrs. R. G. L. Edwards' eight graders (Bailey) and Egbert Rouse's eight graders (Mt. Pleasant). For Bailey the boys were the winners.

Mrs. Catherine Brigman's fifth grade is keeping a chart of the weather. This project will last for two months.

To help enliven Valentine Day, Lane Farmer and Carroll Bottoms, seventh graders, were chosen King and Queen of Hearts by fellow classmates. The king and queen were selected from pictures of class members posted on the class bulletin board.

N.C. Has Large Classes

N. C. crams more children into its classrooms than almost any other state. U. S. Office of Education figures for 1947-48 placed N. C. at the bottom with an average of 29.8 children to the room. Since that time there has been little improvement.
