

Enrollment Exceeds Last Year's To Date

Enrollment in Bailey at the end of the first week had topped last year's first month's enrollment by 20.

On the first day of school 177 students were enrolled in high school and 352 in the elementary grades.

By the end of the first week the attendance had increased to 571-187 in high school and 384 in the grammar grades.

fourth grade.
