

(BY WAYNE LAMM)

Bailey will play at least six games by the first of December, so Mr. Wethington tells us...The players took a good look at the rules and regulations last Monday morning as they were posted for all to see. Each participant has been given one and will be required to abide by them at all times!

We're telling you, watch out for ole "NANNER" Jones this year, who scored a neat 120 points last year! LEMAR FINCH, JIMMY HARRIS, and BILLY GLOVER couldn't be classified as "SLOW LEAKS"...Needless to say FANNIE LOU MANNING is up there too...We're also banking on "LULU" STOTT, JAN PERRY, and BILLIE FAYE...Of course, there are others..Oh! and don't let us forget MARY ANN EDWARDS, er, ahem...editor of the BUGLE...At this writing we haven't seen a sign of a cheerleader; now what's a team without good cheerleaders?...To our opinion, BETTY LOU GLOVER was keen as a cheerleader last year and so were all the rest, but let's give some others a chance...How about RENIA BRISSETTE? Right here and now we'd like to wish ole B.H.S. the best basketball season ever....

Gymnasium Undergoes Numerous Changes

Those attending basketball games this year will find that a number of improvements have been made in the gymnasium. This has been made possible through the co-operative efforts of the students.

That which catches the spectator's eye first is the improvements of the floors. They, along with the benches, were thoroughly scrubbed. The floors were varnished and waxed.

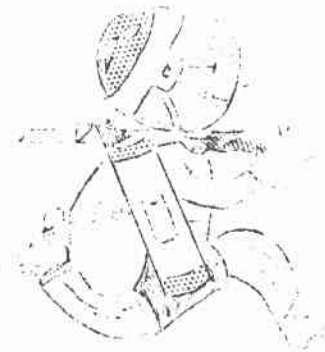

Both backboards have been re-painted, and new nets replace the old ones.

Those assisting Coach Wethington on these jobs were the ninth grade boys during their physical education period, while ALON BURGESS, JIMMY HARRIS, and CHARLES RHODES worked after school.

Getting a going over, both dressing rooms have received a coat of white paint. Later, lockers built by the agricultural class

will be added. Two new doors replace the old ones.
