

## P. S. Music Begins In Earnest

Though a month late in beginning her work here, MISS NANCY DICKENS, public school music teacher, hopes to make up for the lost time by intensive work-cuts weekly with the high school Glee Club and elementary grades.

Miss Dickens arrived October 3 to begin the year's music activities. She states, "I hope to provide a varied and interesting musical program that will meet the needs of the Bailey and Mt. Pleasant students."

Tuesdays and Thursdays are devoted to Mt. Pleasant students. Monday, Wednesday, and Fridays, she spends with the Bailey students.

MISS DICKENS is a graduate of Meredith College in Raleigh and has taught at Lake Forest Junior High School for the past five years. She is originally from Wilson.

## Class Organizes Club
