

P.T.A. Nets \$451.04 From Finance Program

From its annual fund-raising Halloween program, the P. T. A.'s finance committee, headed by MRS. JASPER FINCH, added \$45.04 to the treasury of the organization. The queen contest accounted for the largest part of this sum.

Purchase of prizes, portraits for the queens, drinks, pop corn and bags, and ice ran up an expense account of \$30.81, leaving a total of \$451.04 to be deposited in the bank.

Anne Sharpe and Mr. and Mrs. Silvers of Wilson, judged the stunts given by the different classes and awarded prizes to Mrs. Rudolph Glover's second grade and Miss Edith Farmer's ninth grade boys.

Queens were chosen by the

number of votes received at one cent each. SARA ANN PEELE, seventh grade, and JEAN WELLS, tenth grade, were crowned as the winning queens.

Grademothers and teachers shared in the responsibilities of the various booths.

Class Features Bulletin

Instead of the traditional "horn of plenty" with fruits and vegetables flowing out, the math department sports the original "horn of plenty" with geometric figures, algebra equations, working materials, and general math problems.
