

Journalists Enlarge Treasury Dividends

To supplement their funds for the trip to New York, the journalism students are selling school emblems and autograph books in school colors for twenty-five cents each.

Made of athletic wool felt, the four-inch round emblems are designed with a hornet drawn on a bar and Green Hornets spelled out on each side. They have the words Bailey High School around the top and Bailey, North Carolina, around the bottom.

Green and gold covered memory books for one's high school days feature sections for big events, platter patter, flying "sassers", scoreboard, yells, and what's new.

Girls Head Attendance

Leading in attendance, the girls boast a high of 91 per cent, or a three per cent margin over the boys.

Grammar grade girls have a high of 91 per cent attendance. With the boys' 85 per cent attendance they have an average of 88 per cent.

In high school the girls still lead with 91 per cent attendance, but the boys are close behind with 90 per cent, making a total of 90 per cent.

The number of absentees so far in the grammar grades is 964, 354 the result of sickness; in high school 354, with 52 sick.

"Three reasons causing absences are sickness, work, and an attitude of don't care," states Mr. Weaver.
