

May the New  
Year bring you every promise of good  
health and happiness...and leave you with  
each promise richly fulfilled.

May each day unfold new opportunities  
for warm friendship and solid achievement  
...and each month be a milestone in your  
steady forward march to better things.

May 1953 prove one of the brightest  
pages in your memory book...because of  
what it did for you...your loved ones...  
your country...your world:
