Athletic Accounting

My column this month is being used to give an account of income and expenses for our athletic department this year. Support for our teams was good. Income was good. Even then expenses were more than income. Following is a detailed account of the expenses and a statement of income for the year.

Carolina Power and Light Company--\$79.45
Em-Jay Sporting Goods Co. \$458.54
Lowe and Campbell Sporting Goods Co.--\$73.09
Students for firing boiler--\$67.00
Apex Chemical Co.--Floor materials--\$59.50
J. W. Stone-Lumber--\$14.29
Referees--\$178.25
L. J. Perry-MCHSAA dues--\$5.49
Privette and Tapp--\$4.85
R. M. Meacomes--\$6.89
W. H. Farmer and Bros.--Coal--\$168.43
Supplement for coach--\$4.00
Total--\$1515.78

Income for the year was derived from the following sources: Gate receipts, sale of popcorn at games, receipts from County and Class A Tournaments, and payments for use of gymnasium-----\$1317.74
Bailey Lions Club- 100.00
Total income-----\$1417.74

For your loyal support to our teams we give you our hearty thanks.

Bailey Advisor Hostess To Bi-County Group

Nine vocational home economics teachers from Nash and Franklin counties met in the Bailey department Monday afternoon to conduct their monthly meeting, according to Miss Frances Wilson, home economics teacher.

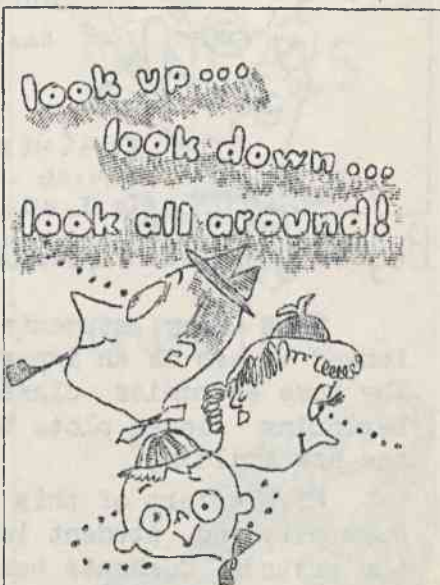

After a business session, led by Mrs. Dorothy Fisher of Nashville, which included plans for sending money to the American Home Economics association for scholarship funds and contributing news for the State News Letter, the group planned a tour through the Exposition Building in High Point, N.C., and Morrison-Reese in Greensboro sometime in June to see all styles of furniture.

A tour of the new building was taken by the teachers before the meeting.

Miss Wilson furnished refreshments of punch and cookies.

All the teachers

exchanged helpful ideas on films, and teaching methods.
