### Faculty Returning Except One In Gr. School

All teachers except one will be returning next year, according to Principal M. W. Weaver.

The high school faculty remains intact. This fact should "mean a stronger faculty next year, since these teachers have had a year's experience of working together," the principal stated in commenting on the teachers' return.

There is a "strong possibility" of an additional high school teacher, Principal Weaver further states.

Miss Hardy, third grade advisor, who has resigned, will be replaced by the fall.

### Music Students Receive Medals At Recitals

All music students, both piano and vocal, will receive medals this year, states MRS. CARLTON JOHNSON, music supervisor.

The Bailey students were awarded theirs during their recitals.

Graduating from high school this year, JUDY FINCH and MARY ANN EDWARDS will not be with the music class anymore.

Tonight the Mt. Pleasant music students are presenting their recital.

The two students making the highest record in the freshman, sophomore, and junior classes automatically win the right to be marshals. These in addition to Katherine are RAYFORD PERRY, CHRISTINE FOWLER, juniors; BILLIE FAYE PERRY, MARLENE EATMON, sophomores; and ELSIE RAY EATMON, freshman.
